Inspiring tomorrow's workforce

More than 150 women participated in Girls Empowerment Network's annual Spring Career Week held across 22 Central Texas elementary, middle and high schools. GEN has been connecting girls with accomplished female professionals since 2007. In this photo, Cris Vellanueva, a senior director at Dell Technologies Inc., gets to know a student at Patton Elementary School.

YANNIK ROHRER

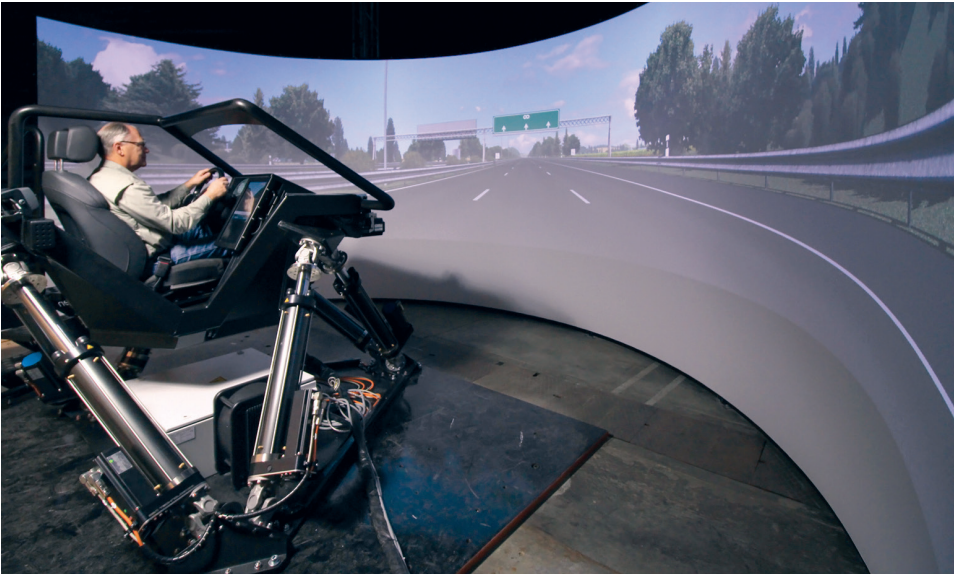

The city manager speaks

Austin City Manager Spencer Cronk (in suit) spoke to members of the Austin Young Chamber of Commerce during its monthly LEAD series.

Managing partners unite

Personal injury law firm Slack Davis Sanger held the first Austin Managing Partner Forum of 2019. Eden Minucci of Minucci Consulting led the discussion.

A safer way to test autonomous cars

The University of Texas' Center for Transportation Research showed off its driving simulator during its annual symposium.
